## 38TH ROSEN OUTDOOR SCULPTURE COMPETITION AND EXHIBITION

This national juried competition is presented annually by the Turchin Center for the Visual Arts and An Appalachian Summer Festival in Boone, North Carolina.

Celebrating its 38th year of showcasing contemporary American sculpture in outdoor settings across the Appalachian State University campus, the competition has become firmly established as a cultural treasure and a significant point of pride for the university and the entire region.

This program is made possible by generous support from The Martin and Doris Rosen Giving Fund — courtesy of Debbie Rosen Davidson and David Rosen — and The Charles and Nancy Rosenblatt Foundation..
